

Shadow Day Form

Shadow Days are the best way to experience a high school's environment. Eighth graders are allowed to miss two school days (7th graders can miss one in the spring) as an excused absence if the completed paperwork is submitted at least three days prior to the shadow date. Students are also required to make up all missed work. ****eLearning will not be offered for those taking shadow days.**

NOTE:

- Please inform your homeroom teacher about your shadow day if you will be missing a day of school.
- This Shadow Day Form must be **completed, signed, and submitted to your homeroom teacher at least three days** prior to your shadow day in order to receive an excused absence. If this form is not filled out or is returned late, it will be considered an absent day and marked on the report card.
- Students are required to make up and complete all missed school work.
- After a Shadow Day has ended, students are allowed to return to AACA for after school activities.
